the star catcher

FORNACE EST. 1954 CAIA

Ora che son tornato ho ancora in mente i suoi sapori  
i suoi colori e la sua misteriosa gente...  
Sono ancora inebriato d'Oriente...  
Sono cresciuto molto...  
Ora voglio dare molto.

*Now that I have returned I can still remember its tastes,  
its colours and its mysterious people...  
I am still inebriated by the Orient...  
I have grown a lot...  
Now I want to give a lot.*
