FORNACE EST. 1960 CAIA

"fiori" ... fiori che bucano la materia in un gesto dolce, ma deciso, come una primavera dell'anima sulle pareti scolpite della propria casa.

"flowers" ... flowers that push through the material gently but firmly, like the spring of the soul on the engraved walls of its house.

"Claudio Gambardella"

zukur/cod.01

25x50 cm

monofusione interamente formata, spatolata, decorata a mano e con incastonate sculture in bronzo nichelato.

single casting shaped, spatulated and decorated entirely by hand and with set sculptures in nickel-finished bronze.
